**Statement regards "California Proposition 65, EU Biocidal regulation & POP-Convention"**

Dear Sir or Madam/ To whom it may concern

I hereby certify our parts are not affected from the regulation regarding:

- California Proposition 65 Law
- EU Biocidal products regulation
- POP-Convention / Persistent organic pollutants

As seen on <https://echa.europa.eu/de/information-on-chemicals/biocidal-active-substances>

With regard to the "Environment-related Substances to be Controlled ('Controlled Substances') contained in the parts and devices provided by VAT group wide, we declare:

- (1) banned substances,
- (2) substances to be phased out, and
- (3) exempted substances and their uses, in order to realize the following aims and objectives:
  - 1) To prevent the above-mentioned substances from being used for VAT Group products;
  - 2) To comply with related laws and regulations;
  - 3) To reduce the influence of the above substances upon the ecosystem; and
  - 4) To contribute to the preservation of the global environment.

You can also see those VAT-Statements on:
